Peter is director of Training & Development, an international provider that helps organizations to strive for sustainability and human resource development. He inspires his clients with various training and development services in the areas of international management, personal & team effectiveness and innovation.

Peter started his professional career with SKF, a global manufacturing and service company, as a mechanical engineer teaching quality techniques and running continuous improvement projects. With the implementation of Total Quality Management in SKF he switched to a position as a full time trainer and organizational development consultant.

Initially providing training in Germany, Peter moved into an international role and, for the following 10 years, provided training in to more than 2,500 people in more than 65 countries around the world, including Argentina, Australia, Austria, Belgium, Brazil, Canada, China, Czech, Columbia, Denmark, France, Germany, India, Indonesia, Italy, Iran, Japan, Malaysia, Mexico, The Netherlands, Poland, Philippines, Singapore, Sweden Switzerland, UAE, UK, Ukraine and USA.
